

## Connecting Yesterday to Today Through the History of my House

My home was built in \_\_\_\_\_.

In that year a very important event happened. It was \_\_\_\_\_

There have been many changes to my home, but some things have remained the same.

Something that is different is: \_\_\_\_\_

I found an artifact from the year my house was built it is a \_\_\_\_\_.

I picked it because it showed that this year is different than when my house was built in this way \_\_\_\_\_

Important instructions:

Type up your important even and the year it happened for our classroom time line.

You may also type up your interesting information to add to our timeline as well.

Make sure you have two pictures of your artifact. One you will need for the class time line, one you will need for your project.
