## Writing a Play Map

**Title of Play-** same as the book

**Characters-** Choose the main characters of the story only. Include name, age, and who they are (mom, daughter, cousin, friend etc)

**Setting-** Include the date and time period. Include where the story takes place (state, city, etc.). Also describe where it is. Is it in the country, are there mountains, rivers, houses, etc.?

**State the Problem-** Is there a war going on? Is it the Depression? Is there a family settling the land? What problems are they having?

**Events-** Make and number a list of the main events that will take place and what characters will be present in each event.

**Solution-** State how the story is solved and how the story ends and what characters are there.
