

School Improvement Report

URBANA HIGH SCHOOL
October 15, 2013
Matthew Stark, Principal

Guiding Principles

- Transition to a servant leadership model
- Focus on doing what is in the educational best interest of each individual student
- Review and developing strategies to implement the belief in equity
- Individually we are good together we are brilliant

What are we doing

- Review of every course to determine strengths and areas to improve (Using formative assessment data)
- Tracking data information on two primary statistics: socioeconomic and race (standardized tests and classroom assessments)
- Reviewing our practice in student support specifically Academic Learning Support and study support
- Implementing the new evaluation system

Accomplishments

- Using student research from Social Justice Class to examine school policies
- New time table for course proposals
- Working to establish a master schedule by May 1
- Improving communication within the school by layering information
- Focus on Strategies 1, 5, and 6 from the strategic plan

What's Next

- New Career, College Community program
- Doubling math and English
- Revising study support
- Latino Night Oct 16th
- Reworked Open House
- Study on Career Pathways
