BUSINESS OFFICE MEMO

RE: FY17 Salary & Benefit Allocation for Non-Union Support Staff & District Administrators

We are in our second year of a four year negotiated UEA agreement calling for an average salary increase of 3.5% for union staff in 2016-17.

Dr. Donald D. Owen, Superintendent is recommending that the Board of Education approve that the District non-union support staff, clerical, maintenance/custodial staff and administrators receive the same average increase of 3.5% for FY17.
