Outstanding Schools in an Outstanding Community

Mission

The mission of Urbana School District 116, a multicultural community committed to educational excellence, is to ensure that all learners acquire knowledge, develop skills, and build character to achieve personal greatness and help create a better global society, by providing innovative, comprehensive programs, respecting individual learning styles and cultural differences, and fostering caring and nurturing relationships, while engaging each student, every family and the entire community.

Strategy 5

Respectful and Collaborative Learning Environments:

We will identify, model, integrate, and cultivate the positive character attributes valued by our multicultural community in order to create learning environments that foster mutual respect and collaboration.

USD 116 Character Traits

Strategy 5

The BOE approved six character traits to “*model, integrate, and cultivate*”:

Respect – The ability to honor, value, and demonstrate consideration and regard for others and oneself

Responsibility – The ability to act independently and to demonstrate accountability, reliability, and sound judgment

Integrity – Moral excellence, trustworthiness, professional, and ethical behavior

Cooperation – Working well with others toward a common goal

Compassion – Possessing the emotional capacities of empathy and sympathy for the hardships of others

Perseverance – Pursuing goals with determination despite difficulty, obstacles, or discouragement
