

PARKING AT CENTRAL OFFICE

We are located between Main Street and University Avenue, just North of Downtown Urbana.

This map shows in yellow where our permit free parking is located in City of Urbana Lot 25, which is between the Boneyard Creek Bridge and the railroad tracks. Use the Race Street or Central/Griggs Street entrance. Also shown in yellow are the metered parking spaces available.

Permit parking is in the back part of the City of Urbana Lot 25 behind the signs “Permit Parking Only Beyond This Point.” There is also a sign as you enter from the Central/Griggs entrance.

In order to park in the permit parking spaces in Lot 25, you will need to tape the permit below (cut on dotted line) in your back window and the City only allows “Head in Parking” in public parking lots. **Failure to display this parking permit or backing into a parking space will result in a ticket from the City.** There is a walkway from the parking lot to Griggs Street.

This map shows in red where you should not park. NO PARKING across Race Street, north of the railroad tracks, south of the building, or in “RESERVED” spaces along Griggs and in Lot 25. These spots are reserved for specific School District Staff from 5:00 am until 5:00 pm.
