Student Support Services

The following student support services may be provided by the School District:

1. Health services available through the school-based Health Center. These services include dental, mental health, and physical exams. A secondary medication nurse acts as a liaison between physicians, parents, students, and the school. The Superintendent or designee may implement procedures to further a healthy school environment and prevent or reduce the spread of disease.
2. Educational and psychological testing services and the services of a psychologist as needed. In all cases, written permission to administer a psychological examination must be obtained from a student's parent(s)/guardian(s). The results will be given to the parent(s)/guardian(s), with interpretation, as well as to the appropriate professional staff.
3. The services of a social worker. A student's parent(s)/guardian(s) must consent to regular or continuing services from a social worker.
4. Guidance and counseling services.
5. [A liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services when enrolling in or changing schools.](#)

The Superintendent or designee shall develop protocols for responding to students with social, emotional, or mental health problems that impact learning ability. The District, however, assumes no liability for preventing, identifying, or treating such problems.

This policy shall be implemented in a manner consistent with State and federal laws, including the Individuals with Disabilities Education Act, 42 U.S.C. §12101 et seq.

Please refer to each building's Parent-Student Handbook.

Commented [APowell1]:

105 ILCS 5/10-20.58, added by P.A. 99-781, allows school boards to appoint liaisons for foster care students. These liaisons must be licensed under Article 21B of the School Code. 105 ILCS 5/10-20.58 directs how employees are prioritized for liaison appointment. Liaisons are "encouraged to build capacity and infrastructure within their school district to support students in the legal custody of the Department of Children and Family Services." For more information about Liaison responsibilities, please see the footnotes of policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*, available at PRESS Online.

OPTION: To remove the liaison for foster care students from policy, mark "yes" on your PRESS Plus Response Form. This will also remove the section Foster Care Students from policy 7:50.
