RE: Breakfast and Lunch prices

---

2012-13 was the last time we increased the price of the paid lunches for both elementary and secondary. This year we have looked at our 2<sup>nd</sup> breakfast and lunch prices as well as the Adult breakfast and lunch prices and feel these prices need to be increased. We currently pay Aramark \$1.74 for each breakfast and \$2.87 for each lunch, and we need to cover this cost.

Based on a recommendation by ISBE and because of the improved quality and required quantity of food for each, we would like to increase the prices. At this time I would recommend that the breakfast and lunch prices increase to the following:

2<sup>nd</sup> Breakfast and Adult Breakfast from \$1.25 to \$1.75  
2<sup>nd</sup> lunch (student) from \$2.50 to \$3.00  
Adult lunch from \$2.50 to \$3.50
