

URBANA MIDDLE SCHOOL
2017-2018 Recommended Supply List
All Students, Grades 6-8

- The most important supply your student needs is a good ZIPPER BINDER (shown at right, 3-4 inches). Most classes choose not to use traditional textbooks, and the zipper binder is all your student will probably need to carry to and from school. Keep in mind, students may not carry backpacks or purses during school, but they may carry their zipper binder.
- Make sure you have the following, most of which should fit in your zipper binder.
 - 7, two-pocketed folders, three-hole punched (1 per class)
 - 1 package, 200 count loose leaf, lined paper, three-hole punched
 - 1 package $\frac{1}{4}$ inch graph paper, three-hole punched
 - 1 bound composition notebook for science class
 - 1 bound composition notebook for science class (6th grade social studies only)

 - 1 box crayons (6th grade only)
