

We Live, We Learn, We
Tell Our Stories

Let me tell you what I wish I'd
known

When I was young and dreamed of
glory

You have no control

We live, we learn, we tell our stories

Elementary School:

Art journals and recess and snack time

What we really miss most is naptime

We really miss naptime

We live, we learn, we tell our stories

Middle School

Oh boy.

I hate to admit it

But I do miss it a little bit

She's lying

We live, we learn, we tell our stories

Each and every high schooler's story should get
told

Each and every high schooler wants to grow old

And when you're gone, who remembers your
name?

Who keeps your flame

We tell our stories

Koplinski

For being a great teacher

Not just for English but for life

Migut

He's the one who makes
science fun

And cares a ton about everyone

And tells great jokes

Ms. Bridget

**You were patient with me
before and after my surgery**

Thank you

Frau Bequette

Frau macht Deutsch so viel
Spaß

jeden Tag ist eine neue
Abenteuer

I rely on Team Smarter

**When I need help they're always
there for me**

**There are so many things they've
helped me through**

**When I needed them most they
were right on time**

**And I'm still not through
I ask myself what would I do
if I had more time**

Ms. Smith

In her kindness always gave
me deadline extensions

She gave me more time

Jeffrey Davis

A teacher I will miss

For his steadfast kindness magnified through
selflessness

He taught me to look in new angles

He showed me issues of a world we couldn't
handle

When my grades were below

He helped me to grow

Dropping law to teach us fools

So kind and so cool

Is Mr. Davis at Urbana High

School

We thank you

We don't say it enough

**We appreciate all you've
done**

We thank you

**You helped raise thousands
of children**

You get to see us growing up

We thank you

From recess and book fairs

To teams and planners

I wish we had more time

**And when our time is up
Know you've done enough
You've helped write our stories**

Oh, I can't wait to see you again

It's only a matter of time

We're writing our stories

**We live, we learn, we're writing our
stories**

We're writing our stories

**THANK YOU FOR
HELPING US WRITE
OUR STORIES**
