

What if an employee is automatically enrolled and wants to opt out?

Contributions are effective the first of the month following the automatic enrollment effective date. Employees may elect to stop contributions at any time.

If automatically enrolled and contributions have been taken, in accordance with [40 ILCS 5/16-204](#), automatically enrolled members have 90 days to withdraw from the benefit and receive a refund of amounts deferred, plus or minus any applicable earnings, investment fees, and administrative fees. The request must be made within 90 days of the first contribution at trsilssp.voya.com or weekdays from 7 a.m. to 7 p.m. CT via the TRS SSP Service Center at **844-877-4572 (844-TRS-457B)**.
